CLASSIC ENGLISH BREAKFAST

There are many versions of this tea. This version has an ancient pedigree. Researchers have traced its heritage back to the black tea the English drank regularly in the 1800s. It is, simply, China Black, 100% Keemun.

JASMINE POUCHONG

Flavouring teas with Jasmine flowers is an ancient Chinese tradition. The base of our Jasmine is a Pouchong tea, which is slightly browner than green tea. We add fresh jasmine flowers to create a delicate and fragrant brew. Caffeinated.

CHAMOMILE HERBAL INFUSION

Calm the mind and body with this herbal tisane. Harney & Sons sources only the finest chamomile flowers from Egypt. The pale yellow brew is a delicious tea with a definite body and honey-sweet infusion. Chamomile is the perfect evening brew.

JAPANESE SENCHA GREEN

The Kaburagi family are well known in Tokyo and throughout Japan as a pre-eminent supplier of tea. They supply this pleasant Sencha from central Shizuoka. John Harney drank this tea every day for the pleasant flavour and the antioxidants. We call this Japanese Sencha because not all Sencha sold is from Japan. This is a nice blend of teas from the central Shizuoka province, and it is a very pleasant everyday tea.

RASPBERRY HERBAL

Our Raspberry Herbal tisane is a mixture of rose hips, hibiscus, orange peel and raspberry flavour that produces a bright, great-tasting tea. It looks especially tempting when brewed in a glass teapot and served at parties. Enjoy it hot or iced.
